

## News Release

### **Bridgeway Relocates East Coast Operations New Facility Supports Business Growth**

HOUSTON, April 9, 2008– Bridgeway Software, Inc. today announced that it has relocated its East Coast Office to Blue Bell, Pennsylvania, minutes outside of Philadelphia. The new Bridgeway facility is located at 460 Norristown Road, Blue Bell, Pennsylvania 19422.

According to Bridgeway president Keith Okano, “This move reflects Bridgeway’s continued growth as a business. The new location makes Bridgeway even more accessible to our clients, and it provides a more effective facility for technology training. Considering Bridgeway’s level of commitment to our clients and the pattern of growth that we are experiencing, the move is very much in line with our corporate goals.”

Bridgeway has maintained operations in the Philadelphia area since acquiring Law Manager, Inc. in 2006. Bridgeway’s core focus is legal process improvement, delivered through an integrated approach encompassing matter management, electronic invoicing, early case assessment, litigation risk analysis, corporate governance and compliance. Recognized as an industry leader in providing solutions to corporate legal departments, Bridgeway serves General Counsel by teaming leading technology with proven best practices.

#### **About Bridgeway**

Bridgeway is dedicated to providing software solutions and professional services to implement best practices for the offices of the general counsel and corporate secretary. Leading corporations and government agencies rely on Bridgeway’s integrated technology approach to optimize productivity and reduce risk. Bridgeway implements systems in the areas of corporate governance, case and matter management, cost management, contract management, litigation risk assessment and electronic invoicing. Founded in 1989, the company is headquartered in Houston, Texas with representative offices in Philadelphia and Toronto.
