

ENJOY FREE TRAINING IN 2011!

In these challenging economic times, Bridgeway supports our clients by providing training to help them harness the full power of our solutions—**free of charge**.

Bridgeway's free training program is designed to reinforce initial training clients receive during implementation, as well as help new employees "get up to speed" quickly. This training will help clients maximize skills in Bridgeway's most popular products: eCounsel and LawManager for matter and litigation management and Secretariat for entity management.

In 2011, Bridgeway is providing training in a variety of formats including:

- Full or half-day classroom training held in Bridgeway's Houston and Philadelphia offices
- Targeted WebEx training
- Information-sharing sessions with Bridgeway experts

Some restrictions apply. Bridgeway clients interested in taking advantage of the free training program should contact their account manager for more details, call 888.272.4699, or e-mail training@bridge-way.com
